Subject: Access to Property 149 Pembroke Rd
for timber harvesting.

My mother, Helen Prescott, is seeking to harvest timber from her property. The logger, Spencer Perry, is seeking access to the back of the property via the unused portion of Denis Drive off Guac Street. I would like to bear witness to this request at the next city council meeting. I am Daniel Prescott, her son of 320 River Road in Epsom NH. I am a trustee of the Trust for the property and also am authorized as DPOA for my mother.

Respectfully Daniel Prescott
