Matt Walsh  
Director of Redevelopment, Downtown Services, & Special Projects  
City of Concord  
41 Green Street  
Concord, NH 03301

Mr. Walsh,

Concord Housing + Redevelopment wishes to replace 9 sidewalk lights at our Haller Properties on Jennings Drive. They were first installed in the early 1970's. Over time they have corroded, becoming dangerous and non-functioning. A few years ago one broke and fell into the street.

There does not appear to be an approved site plan on file at either the City or our archives, to determine who the owner of the lights is. Concord Housing + Redevelopment proposes to pay for the removal and replacement of the lights. They will be replaced with new concrete bases and light poles with LED Lights. We look forward to an affirmative reply from the City.

Regards,

  
John Hoyt Jr. CPA
