The City of Concord resolves as follows:

- WHEREAS,** the State of New Hampshire submitted a traffic impact study for the new Legislative Parking Garage project at 33 Capitol Street; and
- WHEREAS,** the traffic impact study proposed traffic signal timing adjustments as a result of increased vehicular and pedestrian traffic at various intersections related to the Legislative Parking Garage project; and
- WHEREAS,** in order to safely and efficiently accommodate the additional traffic, the City desires to install traffic signal improvements at various intersections; and
- WHEREAS,** improvements include new traffic signal controllers at the intersections of North State/Warren, North State/School, North State/Capitol, and Centre/Green; and
- WHEREAS,** improvements also include countdown pedestrian signals and accessible pedestrian push button stations and other ancillary traffic safety signal improvements at the intersection of North State/Capitol; and
- WHEREAS,** the State of New Hampshire agreed to fund the above improvements as mitigation to said project; and
- WHEREAS,** the City of Concord will purchase and install the equipment in conjunction with ongoing traffic signal construction under Traffic Signals and Traffic Operations Improvements Project (CIP #283); and
- WHEREAS,** this appropriation is for a purpose for which funding was not included in the Fiscal Year 2027 adopted budget, therefore Section 37 of the City Charter requires a two-thirds vote of the City Council.
