REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Audrey D. Masters, Assistant Finance Director – Finance
DATE: May 12, 2025
SUBJECT: Additional Revision to Non-Ordinance Based Fees, Fines, and Penalties

Recommendation

Set for public hearing at the May City Council meeting the attached revised ordinance and non-ordinance-based fees revising fees, fines, and penalties. The proposed fee, fine, and penalty increases including the added General Services fee will be effective on July 1, 2025.

Background

A requested \$25 fee addition from General Services regarding residential irrigation backflow testing was not added to the non-ordinance-based fee schedule that was presented to the City Council on April 14th. This fee has been added to the revised fee schedule presented to the City Council for consideration on May 12th and has been updated online as well.
