Morning all,  
We received this compliment for the water crew from residents on Ridge Rd. Thought I'd pass it along.

Dear Brad & the Crew,

Thank you!

You showed up,  
you assessed the situation,

You made a plan,

You used your brains  
and tools and bodies to execute  
that plan,

And at the end of the  
day there was clean water 😊  
Your work is important.

Gratefully,

Rob & Patricia Kiefer

Captain,

We wish to convey our appreciation to Concord Fire for their quick and professional emergency medical response. Your Department responded to the State House for a possible cardiac event today.

The transfer of patient care to your staff was seamless. Each Concord Fire responder was pleasant and professional.

We are fortunate to have such a highly skilled level of emergency responders only minutes away.

Nurse Jenn wanted me to pass along her appreciation as well.

Jeff
