

CITY OF CONCORD

REPORT TO THE MAYOR AND CITY COUNCIL

FROM: Laura Bryant, Assistant Parks and Recreation Director

DATE: May 11 2021

SUBJECT: Donation of \$10,825 towards the cost of the new groomer (FY20 CIP #515)

Recommendation:

Accept this report and funding resolution and set for a public hearing.

Background

Working with the Nordic Ski Community the department has started to raise money to help purchase a new tracked snow machine. This new machine will help improve the conditions of the cross-country ski trails at Beaver Meadow Golf Course. With this donation we have raised \$17,935 towards our fundraising goal of \$60,000.

Discussion

The Capital Ski and Outing Club has been supporting cross country ski in the community for decades. Over the years they have helped purchase equipment to help maintain the ski trails at White Farm, supporting local High School Ski Teams and even donated to the department's youth Bill Koch Ski League. On behalf of the City of Concord and all the Nordic skiers I would like to thank the Capitol Ski and Outing Club for their generous donation of \$10,825 towards our new machine.
