ORIGINAL

Dear Concord City Council, Mayor Boulay & City Manager Tom Aspell,

I am requesting the City Council grant the parade application along with closing the side streets along the parade route. The parade will form in the parking lot of the Department of Transportation, Hazen Drive at 8 a.m. for floats and 8:30 a.m. The parade will begin at 9:30 a.m. and proceed to Loudon Road. The units will proceed east on Loudon Road to the Steeplegate Mall where it will disband.

The reviewing stand will be moved to be in front of the Stove Barn on Loudon Road. This will hopefully cutdown on gaps in the parade. This will be the 64th annual Christmas Parade in Concord with this being my 44th year as chairman organizer.

We are asking the side streets be closed to traffic once the parade starts. This would include Blodgett Street, Grover Street, Ormond Street, Burns Avenue, East Side Drive, Canterbury Road, Drew Street, Ellsworth Street, Gates Street, Allard Street, Branch Turnpike, Northeast Village Road, Woodcrest Heights, Old Loudon Road, and Triangle Drive.

I have filed permits with the code enforcement office for the Christmas Parade. I have included a map of the parade route drawn by James Cusano. Please call me if you have any questions. I can be reached at 496-2917.

Thank you for your assistance and I hope that members of the city council, city clerk, city manager, and the Mayor will march in the parade.

Sincerely,

Dick Patten, Chairman

CHECK-IN

Formation starts at 8:00 AM at the DoT/John O Morton Building at 7 Hazen Dr. Travel from 393/East Side Dr is recommended, as you will otherwise need to reverse direction at the DMV to enter the check-in. Vehicles entering the parade formation area will need to line up in the right lane on Hazen Dr to proceed through the check-in. Vehicles exiting the formation area will do so through the southern entrance. The parade departs from the formation area at 9:30 AM.

At the end of the parade, participants will proceed down D'Amante Dr and enter the Steeplegate Mall parking area in front of JC Penney. There will be a designated area to disband from. It will not be possible to continue down D'Amante Dr without first entering the mall parking area. Travel between this area and 393 or 106 will be unimpeded before, during, and after the parade so participants can arrange pick-up and depart without delay.
