REPORT TO MAYOR AND THE CITY COUNCIL

TO: Honorable Mayor and Members of the City Council

FROM: David Gill, Parks and Recreation Director

Re: City Council Referral to Recreation and Parks Advisory Committee regarding scheduling a public meeting to review concerns around the Rolfe Park neighborhood.

DATE: October 2, 2024

Recommendation:

Accept this report.

Background

At the April 2024 City Council meeting there was a referral sent to the Recreation and Parks Advisory Committee related to safety concerns around Rolfe Park. This request was made by Ward 1 City Councilor Brent Todd and Ward 2 City Councilor Michelle Horne. Their concerns are unwanted activity in Rolfe Park and vehicular traffic issues including volume and speed on Community Drive and High Street.

Discussion

The Recreation and Parks Advisory Committee reviewed the referral at their September 2024 meeting. The committee voted to recommend holding a neighborhood meeting to review the concerns. The committee requests Concord Police Department staff also attend the meeting and be able to discuss types of calls they have received regarding Rolfe Park and vehicle traffic in the area.
