

# CITY OF CONCORD

## REPORT TO MAYOR AND THE CITY COUNCIL

**FROM:** David Gill, Parks and Recreation Director  
**DATE:** August 29, 2016  
**SUBJECT:** 2017 Membership rates for Beaver Meadow Golf Course

### **Recommendation**

Review and accept report.

### **Background**

The Beaver Meadow Golf Course Advisory Committee annually reviews membership rates for the Beaver Meadow Golf Course.

### **Discussion**

The Golf Course Advisory Committee at their August 2016 meeting approved the attached rates for the upcoming 2017 season. Draft meeting minutes and area rate sheet are also attached. If approved, the new rates will be advertised to assist with the fall membership drive that is currently ongoing.

Several changes to highlight:

- The committee recommends lowering the youth membership price to \$275. This new price is similar to what other area courses charge.
- The committee recommends the Young Adult membership age increase to ages 19 to 35. This change in age is similar to what other course offer.
- The Committee also recommends lowering the college membership rate to \$600 to better reflect the market.
