

AMENDMENT TO LICENSE

The **CITY OF CONCORD** (the “City”) hereby agrees to an amendment to the License dated November 23, 2020, granted to **BANGOR SAVINGS BANK** (the “Licensee”), by the City, to maintain a glass canopy attached to the front façade of the Licensee’s building originally addressed as 78 North Main Street, Concord, NH, and which encroaches over the public sidewalk.

This License is amended to (1) authorize Licensee to replace the glass canopy over the sidewalk with a steel louver canopy subject to the approval of the City Architectural Design Review Committee and the Planning Board and (2) to revise the building address to 82 N. Main Street which reflects the current address issued by the City to the property upon it receiving a Certificate of Occupancy. All other conditions set forth in the November 23, 2020 License shall remain in effect.
