Dear Concord councilors,

My name is Safiya Wazir, and I am a resident of Pembroke, NH, and a public servant and former resident of Concord until my recent move.

I'm writing to you in the hope you will understand the importance of social worker services, such as those my employer provides, to our most vulnerable residents.

After I received a ticket on Nov 15th, I wondered why we don't have a parking pass for social workers like myself who utilize public places to do supervised visits and work closely with DHHS and DCYF, a way to better assist individuals we serve by providing us with permitted parking. I'm open to buying monthly permit passes to avoid parking tickets and overcome any hurdles that come with it. I would much appreciated if my voice can be heard.

Sincerely,
Honorable Safiya Wazir
