Please share with the city council. I enjoy bike riding on the heights. Especially from my house to the butterfly sanctuary crossing Regional Dr., a very busy and dangerous road. I would like to request a crosswalk or two to assist walkers and riders. At the end of the sidewalk off Chenille across Regional to the next street would require a crosswalk. There are many areas along Regional Dr where a crosswalk would be extremely nice and hopefully safer.

Thank you,
Kimberly Pooler
Ward 8
