

January 27, 2016

This is the full petition to bury the Northern Pass. There are 1102 signatures in total. Please take the number of signatures on this petition into consideration in any decisions that are made in regards to this project.

Thank you for all the hard work the Northern Pass Committee, City Council and City Solicitor have done on this issue.

Ellen Schaffer and Sue Woodard

We support burying the Northern Pass transmission lines thru the entire state but especially thru Concord where they will be in close proximity to many homes.
