Re: Woodcrest Heights Association request for speed deterrents to help ensure safety of residents

Greetings Concord City Council,

During the Woodcrest Heights Association Annual Meeting, members unanimously voiced a real safety concern around vehicles driving through the neighborhood at speeds well above the legal limit. This is a family neighborhood with many children and elderly citizens and the Association would like the City of Concord to help us in ensuring their safety. As such the Woodcrest Heights Association requests some potential changes which may include:

- Increased patrol by the Concord Police Department
- Speed bumps or speed tables

Any other recommendations would also be greatly appreciated. On behalf of the association, we thank you for considering this matter and helping us address the safety needs of our community.

Sincerely,

A handwritten signature in cursive script that reads "Carole Roberge". The signature is written in black ink and has a long, sweeping underline.
