Discussion

The Unitarian Benevolent Association indicates that they have been supporting women and children in the community since 1837. We recognize and appreciate the wonderful work that the Unitarian Benevolent Association continues to do in this community.

The Unitarian Benevolent Association has been supporting teenagers for many years through our department and has generously donated \$650 to our department this year for teens at Christmas. This is a much appreciated donation as we have fewer age appropriate gifts donated for teens at Christmas. This truly helps to meet the needs of older children.

We want to thank the very generous Unitarian Benevolent Association for this most thoughtful and important donation and for the many years of support. We are grateful and proud that they have chosen to work with our department.
