*Re: Discontinuance of Impact Fees for Concord High School Renovation and Addition Debt Service  
1997-2017*

Dear Mr. Baia:

In July 2016, the Concord School District made its final debt service payment of \$118,916.70 on the Concord High School Renovation and Addition Bond. Under the agreement between the city and school district, once the debt service has been satisfied the district will no longer receive impact fees annually.

Please let me know if this notification satisfies your notification request.

Sincerely,
