

CITY OF CONCORD
New Hampshire's Main Street™
Community Development Department

REPORT TO MAYOR AND CITY COUNCIL

From: Timothy J. Thompson, AICP, Assistant Director of Community Development
Date: August 10, 2026
Subject: **Parking Ordinance Amendments (Modification of Time Limit and Enforcement Hours, Warren Street)**

Recommendation:

Set the attached ordinance amending the Code of Ordinances; Title II, Traffic Code; Chapter 18, Parking, Article 18-1, Stopping, Standing and Parking, Section 18-1-8, Parking Time is Limited in Designated Places, Schedule III, for public hearing on September 14, 2026.

Background:

This item resulted from revisiting a citizen request previously determined by the Parking Committee to not warrant further action, but was reconsidered in part at the Committee's most recent meeting.

The modified request asks that the City modify the parking restrictions for the parallel parking spaces along the north side of Warren St adjacent to Concord High School. Specifically, that the current 20-minute time limit be revised to 1-hour, and that the effective hours of this time limit be amended from 7 a.m. – Midnight to 7 a.m. – 3 p.m.

Discussion:

Staff reviewed request with the Parking Committee, the incoming CHS principal, and Mr. Tony Schinella (who had made the previous requests of the Parking Committee through a Council referral in 2025) of the area June 22, 2026 (see attached Committee meeting minutes and background materials). The committee voted to direct Staff to complete the attached ordinance which would amend the Parking Ordinance to modify both the time limit and enforcement hours.
