Subject: Parking Requests Follow-up

Hi Matt,

Following up on the Parking Committee agenda items below:

1. **Jackson Street No Parking** (See attached figure)
 - a. The roadway is 18-19' wide and backing out of driveways with vehicles parked along street is problematic
 - b. At the last Parking Committee Meeting, Councilors asked if we would need to remove all parking
 - i. Yes, due to the number/proximity of driveways, there is no way to maintain parking

Please let me know your thoughts and if you would like to discuss further.
