Ms. Bonenfant:

Please distribute to the Mayor and Council.
Thanks, Ray

Dear Mayor and Council:

Regarding the Diversity Committee that the Mayor is forming, I pray that the Mayor will hold the line and insure that merit and experience will trump woke intentions. All of the obstacles and wrongs that seemingly need to be righted, as noted the article noted below, can easily be addressed if people learn how local government works and deal directly with their city representatives, department heads, etc. I fear that the Mayor and Council will be heading down a rabbit hole that will only result in less effective government in Concord.

Respectfully, Ray
