

CITY OF CONCORD

REPORT TO MAYOR AND THE CITY COUNCIL

DATE: November 15, 2024

TO: Mayor and City Council

FROM: Brian G. LeBrun, Deputy City Manager - Finance

SUBJECT: 2025 Senior Membership Rate Correction for the Golf Course

Recommendation

Accept this report correcting the 2025 Senior membership rate to \$1,295, as recommended by the Golf Course Advisory Committee.

Background

In August 2024, a report was presented to the City Council recommending rate changes for the 2025 golf season. After discussion, the City Council approved the rates as presented.

Discussion

As part of the rate recommendation in August 2024, the current Senior rate of \$1,295 was presented with a \$100 increase to \$1,395. This was not the recommendation of the Golf Course Advisory Committee.

At its meeting on July 11, 2024, the consensus of the Golf Course Advisory Committee was to not increase the Senior membership rate, as this rate was substantially increased last year. The inconsistency was identified at the October Golf Course Advisory Committee meeting and committee members requested a review. At the November 14, 2024 Golf Course Advisory Committee meeting, I noted the error in the recommendation to City Council and confirmed that a Report to Council would be presented in December requesting that the original recommendation of the Golf Course Advisory Committee for the Senior rate be corrected to \$1,295, as originally proposed.

I am glad to answer any questions.
