re: White Park Cyclocross Bicycle Race road closure for Saturday, September 17, 2016.

Dear Clerk Bonenfant,

This will serve as a request on behalf of the New Hampshire Cycling Club for a road closure of Liberty Street between Valley and Forest Street on Saturday, September 16, 2017 between the hours of 7:30 a.m. and 4:30 p.m. for the purpose of running a bicycle race. The requested closure is shown on the attached map. This is the seventh year of the event. It has a minimal impact on the residents of Liberty street. I would appreciate it if you would bring this request to the attention of the City Council for its approval. Thank you for your help. I can be reached at the above address, or jowers2@comcast.net, cell (603) 724-8811.
