Re: Roads Scholar Program

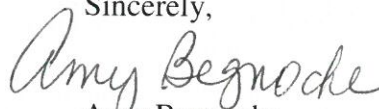

Dear Sirs and Madams:

It is our pleasure to inform you that Kevin Bartlett has achieved the status of **Master Roads Scholar**. The T<sup>2</sup> Center has created the Roads Scholar Program to recognize various achievement levels in our educational program for people who work in public works.

Master Roads Scholar is the milestone **fourth achievement level** of six levels in the Roads Scholar Program. It is distinguished from the other levels by requiring the completion of 100 contact hours, including the requirements for Roads Scholar Two, which are: 20 hours in technical areas, 5 hours in supervision, 5 hours in environmental, and 10 hours in safety. The additional 60 hours required for this level are at the learner's discretion. The usual training session yields five hours of contact, therefore an individual must typically attend **twenty one-day workshops** to reach the level Kevin has completed.

On behalf of the Technology Transfer Center, I am pleased to notify you of the extra effort and commitment that Kevin has demonstrated in order to achieve this status. He deserves to be congratulated for his persistence and drive to maintain a leading edge in the field of local road maintenance and construction.

Sincerely,

Amy Begnoche  
LTAP Director
