

CITY OF CONCORD

New Hampshire's Main Street™

Finance

Brian G. LeBrun
Deputy City Manager
Finance

DATE: May 20, 2020

TO: Honorable Mayor and Members of the City Council

FROM: Brian LeBrun, Deputy City Manager – Finance

SUBJECT: \$5,000 Donation from Briar Hydro Associates

Recommendation:

Accept this report and approve expenditure of the \$5,000 donation from Briar Hydro as provided by City Council, under the diminimus grants and donations authorization.

Discussion:

The City received the a check in the amount of \$5,000 and letter from Briar Hydro Associates (BrHA) as a donation to the City to be used to help local residents who have been adversely impacted by the Corona Virus Pandemic.

Conclusion:

This very generous donation from Briar Hydro Associates was given with much latitude on how to help local residents that have been adversely affected by this pandemic. With consideration that Briar Hydro Dams are located in Penacook, administration proposes to work with the councilors from Penacook to allocate these funds to help Penacook residents or Businesses negatively impacted by this pandemic or as otherwise directed by City Council.

A thank you letter will be sent to Briar Hydro Associates upon acceptance and approval by City Council.
