Re: Roads Scholar Program

Dear Sirs and Madams:

It is our pleasure to inform you that Marc Moore has achieved the status of **Safety Champion**. The T² Center has created the Roads Scholar Program to recognize various achievement levels in our educational program for people who work in public works.

Safety Champion is a side award given once a recipient achieves 20 Safety hours, regardless of what Roads Scholar Level he has reached in the Program.

On behalf of the Technology Transfer Center, I am pleased to notify you of the extra effort and commitment that Marc has demonstrated in order to achieve this status. He deserves to be congratulated for his persistence and drive to maintain a leading edge in the field of local road maintenance and construction.

Sincerely,

Marilee LaFond

UNH Technology Transfer Center Manager
