Janice,

I recently spoke to Jeff Bardwell about being involved with the Arena Advisory Committee as a General Public Rep.

I was born and raised in Concord and moved back to town in the early 1990's. Got married and have 2 "twenty something" year old daughters. We live in the North end of town.

I started playing hockey the year the Everett Arena opened, back when I was in 4<sup>th</sup> grade. Considering myself a "rink rat" back then, I spent a lot of time in the building, playing, working & watching hockey. It has been a big part of my life and I know the history of the place quite well. I still play hockey on Thursday nights and am a big proponent of & care deeply about the "Arena" and what it means to the Concord community.

I'm glad Jeff thinks enough of me to mention the opportunity, and hope you would consider me as a viable candidate to fill the position.

Thank you.

Joe Farrelly
