Good Morning! This is a simple note to let you know how helpful your Fire Marshal, Paul, was today when I called with some questions regarding the Fire Code. First, it was so nice to actually have a person take the phone call (not a voice mail message) and second, he was so informative and patient in explaining some things to me. He also directed me to the appropriate State website so that I can access detailed codes.

I'm sure you get plenty of complaints, so I wanted to offer the other side today.

Greetings All

I would like to express my appreciation and thanks to those responsible for the programs and pricing at Beaver Meadows. I am a very active 72 year old grandfather with multiple grandchildren who love playing golf, and also trying to beat their grandfather. Thank you so much for your Junior Golf Association program and investing in our youth and future generation of golfers. I love watching them play as a team versus other towns. Josh is excellent with the kids. Thank you too for the pricing considerations, the \$5 youth program and the rate for seniors at the course allows myself and grandchildren to golf regularly together. If pricing was \$85 for all like some area courses, golfing together weekly would be price prohibitive. Thank you so much for what you make possible for our youth, and all us seniors who wish to golf with them.

Sincerely

Gary Anderson

PS; please forward a copy of this letter to all/any board members involved in decision making regarding pricing and programs for Beaver Meadows.
