Camp Staff

Traditional camp staff (Stay & Play Camp, Rec Adventure Camp, & Adventure Camp) are selected based on their interest in working with children. All counselors have had previous experience either as campers themselves or as camp leaders. The staff have CPR and First Aid certifications. Creativity, enthusiasm, and excellent communication skills are strong characteristics of our camp staff members. Staff work together as a team and are involved with the campers at all times. The Parks & Recreation Department provides an excellent in-service training program for its staff and requires background checks prior to the start of camp.
