Report to Council

FROM: Todd Fabian, Library Director

DATE: September 26, 2019

SUBJECT: Concord Public Library Foundation matching funds

Recommendation

Accept this report regarding the acceptance of matching funds of \$12,500 to #68 Library CIP, that have been committed by the Concord Public Library Foundation.

Background

The City Council appropriated \$12,500 for FY20 to be matched by the Concord Public Library Foundation to fund a conceptual design study of the Concord Public Library.

Discussion

It's been over a decade since a needs assessment was completed for the Concord Public Library. The Concord Public Library Foundation and the City Council committed matching amounts to total \$25,000 towards a conceptual plan for a renovated Concord Public Library. The Library opened in 1940 and an addition was added in 1966.
