Dear David Gill:

I am writing this letter regarding the vacancy on the Parks and Recreation Committee. For the last eight years, my family and I have been frequent Concord park visitors and recreation program attendees, I would like the opportunity to give back to my community as the Ward 5 representative on the Parks & Recreation Committee.

Concord is a wonderful place to live, made better by the financially accessible programs and well-maintained parks, but I believe that we have underutilized areas that would truly make us shine. I was excited to hear that three areas are on the docket for improvement: Terrill Park, the Kiwanis riverfront and the Monkey Around Playground. I would like to be engaged in the conversation and efforts surrounding them.

I'm looking forward to representing my fellow neighbors and friends in Ward 5 and keeping them in the loop on the latest and greatest of the Concord Parks and Recreation.

You can contact me by phone at 603 717-1350 or by email at staceyfm@gmail.com. I appreciate your time in consideration.

Sincerely,

Stacey Brown
