Discussion

The Concord Police Department has been designated to receive \$7,000 from the US Department of Justice - Bulletproof Vest Partnership Program. Funds received from this grant will provide for a fifty percent reimbursement on qualified ballistic vest purchases by the Department. The remaining fifty percent of the cost will be covered under CIP 370 – PD Ballistic Vest Replacement Program. These BVP funds will remain available to the Police Department as part of this program until August 31, 2020. The Police Department anticipates purchasing

approximately ten to fifteen vests during this time for new officers and to replace older vests that are currently in use and at the end of their useful life. As this is a reimbursement program the vests will be purchased utilizing funds from CIP 370 and upon receipt of reimbursement from the BVP Program these reimbursement funds will be placed back into CIP 370.
