

CITY OF CONCORD

In the year of our Lord two thousand and nineteen

RESOLUTION REPURPOSING THE SUM OF THIRTY-TWO THOUSAND SIX HUNDRED DOLLARS (\$32,600.00) FROM THE 2017 SECONDARY CLARIFIER EQUIPMENT REPLACEMENT SUBPROJECT (CIP #104) FOR USE ON THE 2017 SERVICE ELEVATOR CONTROLS UPGRADE SUBPROJECT (CIP #104)

The City of Concord resolves as follows:

WHEREAS, the 2017 capital improvement plan approved \$40,000.00 for the Service Elevator Controls Upgrade subproject; and

WHEREAS, the department completed a comprehensive facilities evaluation for the existing wastewater plant infrastructure in 2014. The elevator controls upgrades project has experienced a shortfall of funds related to more stringent fire and safety codes than anticipated during the preparation of the 2014 facilities evaluation; and

WHEREAS, the service elevator is an important resource that the plant needs to shuttle maintenance equipment, pumps, and chemicals between floors; and

WHEREAS, the savings from completing the 2017 Secondary Clarifier Equipment Replacement subproject (CIP #104) design was due largely to the use of the City's on-call engineering firm and their extensive familiarity with the wastewater facilities; and

WHEREAS, this repurposing of bond proceeds requires a two-thirds vote of the City Council under RSA 33:3-a, II.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Concord that:

- 1) The sum of\$32,600.00
be and is hereby repurposed as follows:

Wastewater Capital Project Fund
2017 Service Elevator Controls Upgrade subproject (CIP #104)\$32,600.00

- 2) Revenue to meet said repurposing shall be provided from the following source:

Wastewater Capital Project Fund
2017 Secondary Clarifier Equipment Replacement subproject (CIP #104)....\$32,600.00

- 3) Sums as repurposed shall be expended under the direction of the City Manager.

- 4) This resolution shall take effect upon its passage.
