Hey Dave,

Please pass on to the staff that they did an excellent job cleaning up the pine needles and leaves on the Newton Ave. pine forest area.

It looks the best it has in years!!

Thank you David, if you could let your crew know that we appreciate their efforts and hard work at Rolfe Park that would be great.

Good morning Sue,

Was hoping you could include in next city council agenda under positive comments. Parks staff worked with some local residents to clean up an area of White Park near the intersections.

Thanks

David

Good morning, Lou,

Your crew did a super job prepping the garden bed, and we completed phase I in time for the gentle rain. We will purchase a few taller plants and put them in this week. However, dump the mulch anytime. Just let me know so I can neaten up as needed.

We enjoyed lots of shouted "thank you" and horns honking as we worked. I hope that will translate into demonstrated respect for the garden (i.e., no stomping through, no trash, no dog poop, etc.).

We truly appreciate your willingness to work with us to improve the appearance of the corner of our special little city!
