

# CITY OF CONCORD

## REPORT TO THE MAYOR AND CITY COUNCIL

**FROM:** Carlos P. Baía, Deputy City Manager-Development

**DATE:** June 10, 2016

**SUBJECT:** Merrimack County's Request to discontinue a portion of the Pitman Street right of way

### **Recommendation**

Accept the report referring this request to the Concord Planning Board for its review and recommendation.

### **Background**

Merrimack County has requested a discontinuance of a portion of the north side of Pitman Street right of way as part of the redevelopment of the courthouse site (see attached letter).

### **Discussion**

The discontinuance of a city right of way has historically involved the examination and recommendation by the Planning Board to ensure congruence with the Master Plan and to vet issues such as the safeguarding of utility easements.
