**Dear Tom,**

Enclosed are copies of notifications that are being provided to all residential Breezeline customers in your community outlining upcoming price changes. These adjustments will go into effect starting January 1, 2026.

As a top provider of advanced internet, TV and phone services in the U.S., we are proud to provide customers in your community with the very best connected experiences now and in the year ahead.

Please contact us if you have any questions.

**Sincerely,  
Your Breezeline Team**

**Dear Breezeline Customer,**

At Breezeline, we're committed to providing the TV content you love, and the fast, reliable Internet you need.

To keep up with the growing demand for faster Internet and to adjust for the ongoing impact of rising fees imposed by broadcasters and cable networks, we periodically need to adjust our rates. Despite our continued efforts to negotiate on behalf of our customers, some rates are beyond our control. To better understand these rate changes, visit [breezeline.com/rateadjustments](http://breezeline.com/rateadjustments).

Starting with the next billing cycle, the retail price\* of Breezeline services will increase, as outlined in the pricing tables included with this letter.

We're proud to be your Internet, TV, Home Phone and Mobile provider, and remain dedicated to offering you the best possible products and services.

**Thank you for your trust,  
Your Breezeline team**
