

CITY OF CONCORD

REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Deputy Police Chief Gregory Taylor

DATE: January 30, 2018

SUBJECT: Amend Code of Ordinances, Title I, General Code; Article 15-11, Police False Alarm Charge

Recommendation

Accept this report and set the attached ordinance for a public hearing on February 12, 2018, which amends the Code of Ordinances, Title I, General Code; Article 15-11, Police False Alarm Charge.

Discussion

Upon review of the City Code of Ordinances, it was discovered that Ordinance 15-11-2, False Alarm Charge transmitted to the Police Department, is in conflict with the City's Non-Ordinance Based Fees, Fines & Penalties Schedule. In addition, it was discovered that certain sections of the ordinance were not applicable to the Police Department's alarm system, and, were therefore, removed. We also made additional procedural amendments consistent with other City Ordinances.

Accordingly, we recommend that these amendments to Ordinance 15-11, Police False Alarm Charge are approved.
