Subject: Street closure request for annual bike race.

Today: May 23, 2016.

Hello Concord,

We are once more getting ready for our annual bike race around White Park, celebrating 36 years of commitment to the city and the biking community. This year's event is scheduled for Saturday August 6, from 8 am until 6 pm.

Please consider this document as our official request for streets closure. The course will be the same as last year, per enclosed document.

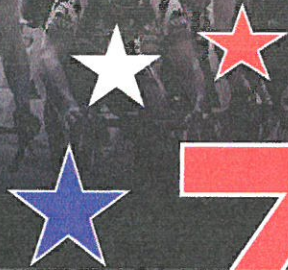

In addition, we are contemplating the idea of dressing up our Start/Finish line with some barriers and arch. We have enclosed some documentation on the subject and would like your feedback.

Please feel free to contact me with any question.

Respectfully,

Jean LaCroix - Race Director
