To: Honorable Mayor and City Council
From: Steven R. Smagula – Deputy Chief of Police
Re: Deauthorization of Funds
Date: February 28, 2025

Recommendation

It is recommended the City Council deauthorize one hundred seventy-seven dollars and twenty-two cents (\$177.22) in grant funding from the New Hampshire Department of Safety – State Homeland Security grant to the Concord Police Department to be used for equipment purchases for police department members on the Central New Hampshire Special Operations Unit.

Background

The Concord City Council approved a report and resolution submitted by the Concord Police Department to accept and appropriate sixteen thousand dollars (\$16,000.00) of grant funding from the New Hampshire Department of Safety – State Homeland Security on January 13, 2025.

The actual grant amount from New Hampshire Department of Safety – State Homeland Security is fifteen thousand eight hundred twenty-two dollars and seventy-eight cents (\$15,822.78) therefore the Concord Police Department is requesting the City Council deauthorize one hundred seventy-seven dollars and twenty-two cents (\$177.22) from the New Hampshire Department of Safety – State Homeland Security grant thereby reducing the total accepted grant amount to fifteen thousand eight hundred twenty-two dollars and seventy-eight cents (\$15,822.78).

Discussion

The Concord Police Department seeks to deauthorize City Council-approved grant funding to comply with New Hampshire Department of Safety – State Homeland Security grant requirements. The deauthorization of funds is necessary for this grant project to move forward.
