I am requesting that the following item be included in the May consent agenda:

Recently Kevin Curdie, a Concord resident lost his life in a fire on Rumford Street where there was no smoke alarm in the area where he was sleeping.

We also saw the terrible conditions and many code violations at what is now referred to as the Remi Block.

I am requesting that safety inspections for rental units be considered and that this request be referred to the city administration and relevant city Boards for a recommendation.

Respectfully,
