Dear Members of the Concord City Council:

The 2017 Making Strides Against Breast Cancer event will take place in Concord at Memorial Field on Sunday, October 15, 2017. For the past 24 years this event has enjoyed tremendous support from the Concord community, both in fundraising and in logistical assistance. In particular, the Concord Police, General Services and the Memorial Field grounds crew have been incredibly helpful in making our event a safe and pleasant experience for the thousands of people who participate in this non-competitive fundraising walk.

We respectfully request permission from the City Council for our customary road closure for the event again this year: Southbound Fruit St., between Pleasant St. and Clinton St. from 10:00 AM to 3:00 PM and Westbound Clinton St. from Princeton St. to Silk Farm Rd. from 12:00 PM to 2:00 PM and finally northbound Fruit Street from 1- 1:30 PM on Sunday October 15, 2017. Members of our planning committee will meet with Sgt. Rane Boyd and The General Services Department to ensure we have a proper police detail that day to assist with the road closure and crowd/traffic issues. If you have any questions regarding this request, I can be reached at 603-286-0119 or debra.brown.nh@gmail.com.

Thank you very much.

Sincerely,

A handwritten signature in black ink that reads "Debra H. Brown".
