REPORT TO THE MAYOR AND CITY COUNCIL

FROM: Carlos P. Baía, Deputy City Manager for Development
DATE: February 26, 2021
SUBJECT: Ordinance amending the Code of Ordinances, Article 30-2-20(e), Community Development Department, Division of Engineering Services

Recommendation

Accept this report and set the attached housekeeping ordinance updating Community Development functions within the Engineering division for public hearing.

Background

The organizational ordinance for the Community Development Department was last updated several years ago. In a recent review of the ordinance by the City Engineering staff, several changes were recommended to more aptly reflect long-standing functions of the division.

Discussion

There are no new functions being proposed with this amendment. It is simply a housekeeping item to ensure that long-standing division practices specific to development review are clearly articulated in the ordinance.
