Re: GSAMA Aviation Day and 5K on the Runway

Good Morning Councilors:

On behalf of the Granite State Airport Management Association (GSAMA), thank you for your support of the Aviation Day and Runway 5k at the Concord Municipal Airport on November 7th, 2015. More than 800 people attended the event, and 120 people got to fly via the Young Eagles Program and CR Helicopters. This event would not have been possible without your help.

We raised \$3,000 for aviation and STEM education programs in the state of New Hampshire. The Capital Region Food Program also collected 325 pounds of food for their Annual Holiday Food Basket Program at the event.

GSAMA sincerely appreciates your support in making our inaugural event come to fruition. We have already started planning next year's event and we hope you will be a part of our success again next year.

Sincerely,

The Granite State Airport Management Association

Stephen R. Bourque, C.M.
