## Q7 In your opinion, what could we add or enhance that would make your child's camp experience even better?

Answered: 24 Skipped: 17

#	RESPONSES	DATE
1	addition of survival skills would be cool.	8/15/2019 5:23 AM
2	More spaces! We were on the waiting list and are so lucky we got a spot. I'd love to see the adventure camps with more space for kids.	8/14/2019 7:36 PM
3	My daughter had the best time and the camp counselors were so great! They explored So much and were so hands on with nature. I will definitely share the nature cAmp and look forward to doing that again.	8/14/2019 4:51 PM
4	Not sure	8/14/2019 4:41 PM
5	My children would like some CITs (counselors in training). Kids would like more say in daily activities outside of the adventures time. More weeks with different activities versus repeats.	8/14/2019 4:34 PM
6	Honestly I felt like everyone was amazing.	8/14/2019 4:29 PM
7	The ratings above are based on the stay and play camp. My child was at the older end of the age limit and was bored. There was too much down time and the activities were geared toward the younger campers. Description in brochure stated campers would develop their own schedule for the week on Monday. I learned Tuesday that the counselors ask what the kids want to do and majority rules. A question on the registration form asked about swim ability yet lessons were well below my child's ability. Need more diversity in offerings by interest and ability.	8/14/2019 3:42 PM
8	It was great! I can't think of anything else to add. She had a blast!	8/14/2019 3:29 PM
9	I would make it a big longer for the half day price that was set. 8-12 or so. My child kept saying she wasn't there long enough. Even make a full day. More learning about specific frogs, bugs etc would of been nice, something they could of taken home to show that they learned about.	8/14/2019 1:06 PM
10	Not at all. You guys run a fantastic program.	7/16/2019 8:32 AM
11	All three children have enjoyed camp.	7/16/2019 2:48 AM
12	Great experience! Love that lunch and breakfast are included!	7/15/2019 4:48 AM
13	I think for stay and play camp it might be nice if there are different activities that the kids can sign up for each day. My children have enjoyed the cooking but maybe there can be other things on different days too.	7/12/2019 4:57 AM
14	Nothing	7/10/2019 7:58 AM
15	The only thing I can think of is to make sure they are putting sunblock on better and push the water consumption a little more.	7/10/2019 5:51 AM
16	Adventure camp suggests that you would be doing different things each day. Amusement, Nature, etc. The kids went to three places that were pretty similar...Chucksters, Mel's Fun Park, and Fun Hill all of which are fun places but very similar. So I would recommend breaking it up, maybe two places like that, and maybe a Lost River, Polar Cave, or Nature hike. Also when the kids returned from their trips they had very little to do other than an open gym with a basketball, this was our kids least favorite part. They would have liked to play games or have other items to play with during that time.	7/10/2019 5:27 AM
17	More organization at pick-up. It's a bit crazy with all groups in the gym. A table set up with the sign-out books with signs would be very helpful.	7/10/2019 5:24 AM
18	A better allergy protocol. My child has food allergies and after talking to counselor and filling out paper work he was given food containing his allergies on day 2. Had I better knowledge of exactly what they were cooking I could have provided better alternatives. Maybe wristbands so the counselor can see and then know to double check paperwork. Also I'd love to see a camp like this offered half day or until 1. It was too long for him.	7/10/2019 3:58 AM

## CPRD Traditional Summer Camp Survey

19	Tie dye tshirts, theme days, wilderness walks	7/9/2019 5:18 PM
20	Keep up kid choice. Offer basketball in the gym, too. Offer kids the opportunity to play soccer or tag--something that gets them running and sweaty. Offer kids the opportunity to do some reading and/or math in a quiet space for 30 minutes-1 hour Parents can send books and/or math problems with their child. This way, parents don't have to worry about "summer slide" when their kids enter school in the fall. Camp can be mostly play but allow some kids who want to study (or whose parents want them to study) the opportunity to sit in a quiet room and study for 30 minutes to 1 hour everyday. Then, the rest of the day will be play!	7/9/2019 5:08 PM
21	Maybe adding a private account for parents so we can get pictures of our children day. Or just emailing pictures so we know what activities they did each day.	7/9/2019 3:49 PM
22	Nothing :)	7/9/2019 3:17 PM
23	Remind/help the kids to reapply sunscreen please	7/9/2019 2:14 PM
24	We have only done one week so far but I know it's success because my children do not want to leave at the end of each day. Having the activities and swim lessons and cooking lessons etc. really make this program top notch. Thank you and to all The camp counselor staff for making our children's time at camp an enjoyable one	7/9/2019 1:34 PM

#	RESPONSES	DATE
1	I love adventure camp!	8/14/2019 7:36 PM
2	Thanks so much	8/14/2019 4:51 PM
3	Some of the counselors were a little immature. One was seen vaping while on a field trip.	8/14/2019 4:34 PM
4	Teen adventure camp was great.	8/14/2019 3:42 PM
5	She bonded very well with all the counselors especially Emily. Everyday we got an update how awesome she was. My daughter does do the boys and girls club at millbrook but hasn't really enjoyed her time there and wants to return to parks and rec for after school instead. She was disappointed when I told her you are only a summer camp. Have you considered an after school program? I would definitely sign her up! Thank you for a great summer and she will be back next year!	8/14/2019 3:29 PM
6	Not at this time. But I would like to thank you for letting register my son. Being from out of town.	8/14/2019 1:35 PM
7	Loved it! Would of enjoyed a longer day!	8/14/2019 1:06 PM
8	I want to recognize one of my son's counselors in the Rec Camp. I believe her name was Rhianna? She was fabulous. My son was really shy the first week and didn't want to participate in activities. She genuinely was concerned that he wasn't having fun and asked what staff could do to help him open up.	8/1/2019 4:32 AM
9	My daughter will be too old next year to return (13 and in 8th grade this fall). We are so sad. It's been the best camp (and we have been to many!!!)	7/16/2019 8:32 AM
10	Counselors need to help st unscreened the kids	7/10/2019 7:58 AM
11	The kids really love the staff!!	7/10/2019 5:51 AM
12	When they returned early due to rain one day they had extra down time in the gym. Were they really didn't do anything. This was our kids least favorite part sitting around in the gym with no instruction or game to play just a ball and net with kids running around everywhere in the gym. Lastly, kids were told they couldn't be on their phones but then all the teenager counselors were constantly on their phones throughout the day. Perhaps limit the phone use all around if the campers are not allowed to use their phones.	7/10/2019 5:27 AM
13	One day my child was arriving late. I asked one of the counselors what the process was, and they told me I could just drop off at the location they were going to. Her dad picked her up and also asked, and he was told the person dropping off had to send in a note indicating such, so I did. When we got to the location, she had been marked as not attending, even though I saw the note in the front pocket of the binder! Otherwise, my child has had fun so far, which is most important to me! On the survey questions, is #8 about returning to camp supposed to reference 2020, not this current year?	7/10/2019 5:24 AM
14	She has truly enjoyed herself. Swimming has been her favorite!	7/9/2019 5:18 PM
15	My child said that he loves summer camp!	7/9/2019 3:49 PM
16	I'm grateful knowing my child is safe and having fun during her summer vacation. Thank you!	7/9/2019 3:17 PM
17	Thank you so much all camp staff. You made my granddaughter's Summer so much fun. Thank you to Concord Park's and Recreation for my granddaughter's scholarships she had so much fun and wouldn't have been able to go to all the fun places that she did during camp. Thank you so much.	7/9/2019 1:45 PM
18	I think the pricing is Reasonable but I do wish there was a multi child discount. Not complaining at all! But just a comment	7/9/2019 1:34 PM

I think if you are providing meals and a cooking class then all ingredients should be free of the top 8 allergens.
