Subject: Street closure request

Hi Janice,

On behalf of the Penacook Village Association, this is a request for street closures on Wednesday November 29, 2017 to accommodate the 12th Annual Penacook Tree Lighting ceremony.

The request is to close Merrimack St. from Village to Sanders Sts., and to close Summer St from Village to High Sts., from 5:30pm to 7:30pm..

Would you please add this to the October City Council agenda for approval?

Thanks,

Brent
