Hi Janice,

Attached is some background info from Ryan Buchanan, who was nominated by Councilor Kenison for TPAC. I have talked with him by telephone and, on that basis, recommend he be appointed to TPAC.

Rob,

Would you please put Ryan on your mailing list and also please see that he is on the distribution list for the May 24 TPAC meeting as a guest?

Thanks....

Dick

Good Afternoon,

My name is Ryan Buchanan and here is my letter giving a brief outline of who I am. I am from Virginia Beach, Va originally, and attended school at Tidewater Community College and Old Dominion University. While at TCC I worked at an internship with the Virginia Beach Police Department, working with the traffic police and helping out with minor traffic flow and rerouting during construction projects.

I was also in the US Navy, while on board the USS Leyte Gulf I would be part of the security detail and planning for the traffic coming on and off the piers to access the ship. I am also about to complete my BA in Business Account this month, and I am looking for an excellent opportunity to sever my community further as I did in Virginia, and in the military. I look

forward to hearing back from you soon, and I cannot wait to get started in helping to improve the city and community I call home!
