Hi Jim,

The State requests that Old Stickney Ave as Laid out over the Park and Ride parcel be included in the discontinuance. As far as the easement I'll have to touch base with the Commissioner.

Stephen,

I hope this email finds you well.

Brady Sullivan is requesting that the City to discontinue its Right-of-Way in front of the Park and Ride on Stickney Avenue. See attached. Please advise that the State is requesting this discontinuance as the underlying property owner.

Also, the City is requesting that the State grant the City a 5 foot easement in front of the Right-of-Way in front of the State's Park and Ride on Stickney Avenue. This will help facilitate the construction of the Merrimack river Greenway Trail, which, is a project that the City is currently working with the State.

Best regards, Jim
