This morning was a nightmare for the members of South Church which is located at 27 Pleasant Street. Many of our members are elderly and I include myself at 94. it is unacceptable that the block in front of the church was barricaded when we were trying to get to church. The choir was expected at 9 and the service was to begin at 10. Please use your powers to assure us that this will not happen again. I will forward this note to our minister who was outraged, to put it mildly. Thank you in advance for your attention. Mary Lee Allison.
