### **BACKGROUND AND DISCUSSION**

The City Council's Diversity, Equity, Inclusion, Justice & Belonging (DEIJB) Committee was asked to review a communication received by the City of Concord and the City Council from the New Hampshire Attorney General's Office regarding City contracts containing DEI-related provisions. The Committee undertook this review at its February 10, 2026 meeting.

Following a thorough review of the Attorney General's request, the DEIJB Committee determined that it does not have any contracts responsive to, or relevant to, the request.
