Discussion

The Concord Police Department recently received a gift card from Walmart in the amount of \$500. This gift card was donated by Walmart as part of their initiatives in support of community organizations. The Police Department desires to utilize this gift card in conjunction with Department funds to purchase a large screen tv/monitor. This tv/monitor will be installed in the Department's training room and be utilized to assist in training initiatives, remote meetings, and other circumstances where the use of a large screen tv/monitor would be beneficial. It is recommended that the City Council accept this donation by Walmart and its intended use by the Police Department.
