Winter Basketball

PLAYER INFORMATION

The goal of our youth basketball program is to provide players, ages 4 through grade 12, with the opportunity to learn the fundamentals of basketball while being part of a team regardless of experience or skill level. Not only will players be developing an understanding of the sport, they will gain positive social experiences, promote good sportsmanship and have fun in a supportive environment.

All players are asked to bring a water bottle to all games and practices. We also ask that players switch into non-marking soled sneakers before walking onto any of the basketball courts. If for any reason you are unable to make it to a practice or a game, please inform your coach so they are aware. PLEASE NOTE: If you play on any other organized basketball team between November and March, you are not eligible to play in the recreational league.

VOLUNTEERS MAKE A DIFFERENCE

Volunteer Coaches Needed!

Do you have what it takes to make a difference? We think you do! Volunteers are the backbone of our sports programs. Because of our solid volunteer base, our programs succeed. Please consider dedicating some of your time to the children of our community by helping them to develop a passion for sports. No reward is as great as knowing that your gift of time and dedication has helped a child.

YOUTH BASKETBALL COACHES

Coaches are responsible for general team organization, team practices and coordinating the efforts of their players, and assistant coaches during game play.

Parents & Guardians

There are 3 options when you involve your children in youth sports, all three options are incredibly important

- ✓ Option 1: Volunteer Coach
- ✓ Option 2: Officiate
- ✓ Option 3: Be a Fan and a parent

All of these roles have their own responsibilities and challenges, but in order to do your role to the best of your ability, you need to trust that everyone else will execute their role.

- Coaches: Leave your parenting hat on the sideline, you have made a commitment to the entire team and should be providing all players with the same attention. Please also keep in mind that some of our officials are still learning as well, they will make mistakes. Without them, we would not be able to play games. Set the tone with your team that the official is always right. When you disagree with a call, you cannot let that show to your players. You are a role model, and they will follow your lead.
- Officials: You will make mistakes. At any point during the game, half of the people will disagree with you. You cannot let that affect you, your job is to call a fair game and make sure everyone is participating safely.
- Parents and Fans: Please leave the coaching and officiating to the people in those roles. Your job is to support and encourage your young athletes.

The leagues focus on the fundamentals of basketball while introducing players to team play. Players will get together once a week on Saturdays.
