Subject: RE: Crew Compliment for paving

Hi Robin, thank you very much for taking the time to let me know about the work and crew doing the paving on Curtice Ave. These smaller neighborhoods can be challenging to work in and I'm pleased to hear how people who are impacted are being treated.

It doesn't surprise me that Fred and Steve are doing everything they can to make things right as they have worked together in the past and know what the final outcome should be and work well together to make it happen.

Thanks again for taking the time to write the note.

Thanks, Jim

Good morning, John, and David,

I wanted to reach out this morning to say thank you so much for your help in coordinating Moving Day New Hampshire at Rollins Park.

We had a great day and turnout on Saturday. Justin came by to check-in and provided trash bins and extra garbage bags for the event. I didn't get to return the extra garbage bags to Justin, tell him thank you for me! 😊

I also dropped off the key in the lockbox on Saturday after the event, just wanted to confirm you've received it.

Thank you again and I will be in touch early next year to discuss Moving Day New Hampshire 2023!

Have a great day,
Christie
